

BIKE PATH MEETING- 11/29

present: Karen Delaney, Carla Eilo, Mavis Miller, Dean Dietrich

Yesterday's meeting was very productive. Here is my list of what we accomplished / decided. If I left anything out let me know.

- 1) The size of the pamphlet will mirror the revised Walking Tour Map- "rack card friendly"
- 2) Start / end of all routes will be the Train Station- Parking locations will be identified so riders can do segments
- 3) Suggested Routes (map attached) will include loops with spurs

Loops

- Club Loop (yellow)
- River Loop (red squiggly)
- Whiteface Inn (blue)

Spurs

- Stagecoach Rock
- John Brown's
- Loj Road
- Bear Cub
- Mt. Whitney

- 4) Karen will write a description of the difficulty levels
- 5) Mileages will be marked with distances between chosen points (*)
- 5) Mavis will start researching map formats
- 6) Carla, Bev, and Dean will work on identifying locations (some are included in the preliminary map)
- 7) Mavis will set up a dropbox to upload information
- 8) Publication starts with the spring session of the Computer Class at Northwood (March). We should have all the information available by then. The "kick-off" will be a presentation by our committee to the students.
- 9) Our group will meet in late February to review / edit information from the dropbox and develop the presentation for the Northwood Students
