

Welcome to the LPBA Member Directory

This directory is designed to serve as a guide for guests and visitors to our community so that they can easily find the experiences, services and products that they are looking for while they are here.

Our member businesses provide a wide array of products and services to and for our community. While this diversity is what makes our Village so special, it also creates a lot of questions about where to find what's needed. We hope that this directory helps to answer most of the questions that you encounter. That said, we realize that no directory, no matter how comprehensive, can answer every question. If you find that there are questions you are asked regularly that are not answered here, please don't hesitate to let us know and we will do our best to include those answers in our next edition. Just email us at lpbaofficers@gmail.com.

A big thanks to the directory committee, specifically Jessie Wells (Smoking Cork/Stouts & Stogies) and Jim Koenig (Lake Placid Baptist Church) for their hard work and perseverance in putting this inaugural directory together. If you are a member and don't see your business listed here, no worries, we will re-print it twice a year so there will be another opportunity. Use the email above to let us know that you are interested.

Not a member, but want to be? Just email us and we will send along the information and an application.

We hope that you find this directory useful and we look forward to hearing your feedback as it grows and evolves.
